Le fanzine des ateliers BD de la MJC de la Roche-sur-Foron  
Numéro 1 — Les mondes secrets

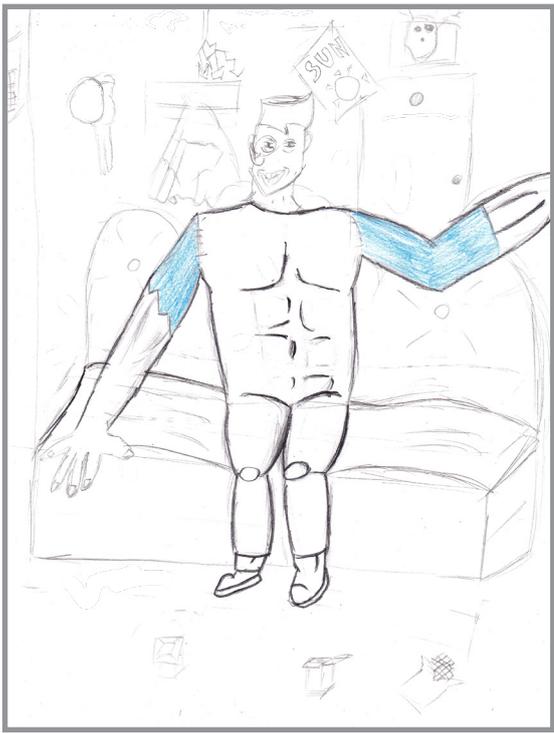

Pour ce premier numéro d'Indigo Mag, nous avons explorés les mondes secrets qui se cachent sous la surface, les communautés clandestines, les groupes dont personne n'a jamais entendu parler, mais qui pourtant existent, bien cachés dans les recoins du monde : les super-héros à la retraite, les chaussettes solitaires, les rois du silence, les loups végétariens et les comptables à haut risque...
